

Position Description

Position Title: Summer Students
Employment Type: Fixed term, Full time
Date Modified: October 2024

Purpose

Provide project based fixed term employment, to allow Managers the ability to achieve results in a cost effective manner, and to provide tertiary students with employment and insight into working in local government.

our Purpose and Values

Supporting our communities to thrive by working together to provide services and places for people to **connect, grow, live, work and play.**

WE DO what's Right

- ✓ Build trust by communicating openly and acting with integrity
- ✓ Apply a customer lens to everything we do
- ✓ Make responsible decisions by balancing different needs
- ✓ Plan for our future and think sustainably
- ✓ Take responsibility and "own" our roles

WE MAKE it Happen

- ✓ Know our stuff and encourage knowledge sharing and professional growth
- ✓ Learn from our successes and mistakes
- ✓ Aim to improve and innovate by questioning the status quo & bringing ideas to life
- ✓ Focus on solutions
- ✓ Follow through with our commitments

WE RESPECT every Voice

- ✓ Encourage diverse ideas
- ✓ Keep an open mind
- ✓ Have empathy for and support one another
- ✓ Care for the wellbeing and safety of ourselves and others
- ✓ Seek to understand what is important to others

WE WORK as One

- ✓ Collaborate and tackle challenges together
- ✓ Work with and for our communities
- ✓ Think about how our work impacts others
- ✓ Acknowledge and celebrate our achievements
- ✓ Value and encourage social connections

Information about the roles

More information about the Roding Team Summer Student Role

We're pleased to provide the opportunity for a student to join our Roding team on a full time, fixed term basis for the summer holiday period from November to February. You'll be working in our team gathering data for a number of ongoing projects including site visits. Capturing data and mapping footpaths, driveways, parking areas in reserves, domains and cemeteries.

We are particularly looking for a Civil Engineering Student who has a positive attitude and is interested in getting hands on experience. Applicants need to have a full driver's licence, be physically fit and work well independently and in a team environment. As we are committed to the health and safety of our employees, you'll need to be prepared to undertake pre-employment criminal check, drug and health testing, with ongoing monitoring.

More information about the Operations and Projects Team Summer Student Role

We're pleased to provide the opportunity for a student to join our Projects and Operations team on a full time, fixed term basis for the summer holiday period from November to February. You'll be working in our team carrying out back flow investigations for medium and high risk hazards as per Taumata Arowai drinking water quality rules. As well as solid waste asset investigation and inventory.

Preferably we are looking for an engineering student or someone with a technical background in this line of work who has a positive attitude and is interested in getting hands on experience. Applicants need to have a full driver's licence, be physically fit and work well independently and in a team environment. As we are committed to the health and safety of our employees, you'll need to be prepared to undertake pre-employment criminal check, drug and health testing, with ongoing monitoring.
