Hi David,

Before I send to AEC Limited under Schedule 1 Clause 4A, are you able to clarify your response?

How are you proposing to give effect to it?

Are you proposing to incorporate the below into the plan change (noting that this would likely require a new rule or detail on the ODP)?

Or are you proposing to incorporate the below in a future subdivision consent (noting that no consent has been lodged yet)?

Kind regards,
Nicholas

Hello Nicholas

We are happy to accept an accidental discovery protocol condition and the plantings proposed within the roading areas as shown on the plans can be native plantings in accord with AEL suggestions.

Kind Regards
