

Tinwald Reserve Board needs your help!

With the Council decision to close the Tinwald Pool permanently, we are now looking for creative and innovative ideas for what the site could be used for.

Over the page you will find an outline map of the site and we are keen to hear from you, our local community, on how we could re-develop the site in the future.

Draw onto the outline map your great ideas of what the site could be used for.

As a Reserve Board we will be using these ideas to develop a concept plan to seek funding from Council to bring to life over the next 18 months. Please let us know your ideas by returning your thoughts to us by the 18 October.

Please return your ideas to:

In Person

*Customer Services
Te Whare Whakatere
Baring Square East, Ashburton*

Online

*Scanning and emailing your ideas to
